FIRST PRIZE WINNER

HUSLER'S FLOUR TESTIMONIAL

CONTEST. We have a large family of "grown up" children, and all winter long I have been listening to their lamentations and fault-finding on account of my poor bread, until I was in despair. I had been using the so-called best brand of flour with the poorest results. One day my husband said: "Wife, try Husler's Flour; no firm would dare to advertise their wares as the Husler Flour is advertised unless it would stand the test. Try it." I immediately returned my last sack of flour to my grocer with a request to replace it with a sack of Husler's Flour. He did so, and since then my bread has been highly satisfactory to every member of my family. I am telling all my friends of its good qualities. It can't be equaled. Respectfully, MRS. E. R. KNEASS, 322 6th Street, City.
